Attending: Elcock, Pitts, Farrell, Joan

DSF Representative Mitzie Agard

PS 155: continued water intrusions from the Roof, ongoing issue with SCA, and continued damage. Ms. Agard said that there are plans to remediate the current issues.

Mitzie says to make a report for rooms that do not have heat, so that they can see what the issue

SCA Ask K155: electrical upgrade for multipurpose room and computer lab (Mitzie will look into to see if DSF could do it, but most likely an SCA ask.)

Any d23 air conditioners not working can probably be replaced.

SCA Ask K073: phone, loudspeaker, clocks, bell system upgrade (or electrical upgrade as well)

Mitzie has a list for a “mini pitch soccer field” for the parking lot, says K073 building is on the list for that. Also will look into 3rd floor boys bathrooms.

K263 323/671 Mitzie says new floors and new mirrors for K671 dance studio being done

Mitzie has a plan in place for broken chairs in the auditorium.

Eagle (k271) 3rd floor boys Bathrooms Holes, partitions and tile broken, girls bathroom issues, electrical issues (custodian looking into it). 2nd floor (and around the building) plugs are loose. A/C wanted in 1st floor weight room. 12 rooms that have 9x9 tile, if they are damaged they are being replaced with 12x12

K137 Gym/Auditorium blinds fixed in multipurpose room, sink fixed in one of the 1st floor rooms, cover electrical outlets, radiator covers in stairwells and multi purpose rooms. Mitzie will look into cafeteria tables upgrades. Mitzie says the play yard will be put back, but doesn't want to give a timeline, but will call SCA to see if we can get an update. Will be building a storage area in the multipurpose room for the gym equipment.

K275 Kappa V, Says there are no wheelchair accessible bathrooms on the Kappa V side might exist on the charter side and we need access. Mitzie will investigate.

SCA Ask K275: Science Lab upgrade, Auditorium upgrade for chairs (already Reso A Auditorium upgrade scheduled)

K356: PreK/Kinder bathrooms, roof leaking, walls remediated once roof stops leaking, checking Central AC once it gets warmer. Gym needs more padding. 392 bathroom has water in the drain, Auditorium ceiling needs updating/fixing.

K183 RACS/RAMS: Wants a gym, outside would be where to put it but school may not want to give up space, too hot in lunchroom (grant scheduled to get ACs in the cafeteria and ?). Kitchen AC has to be purchased through school foods.

SCA Ask K183: Gymnasium built

K298 :Floor upgrade in basement and cafeteria, kitchen ceiling, bathroom upgrades, library and computer room needs window guards, science room needs eye wash station, 4th floor boys bathroom cracked and looks like it is sinking, mice in cabinets near/in kitchen, want AC in the auditorium.

K184: Playground mats, camera upgrades, cafeteria upgrade in progress, needs new lighting and painting in cafeteria, rusty pipe on back wall, windows don't open. Outlets in teachers lounge doesn't work (may not have lights). Wants new auditorium (may have a Reso A grant for it) Water damage in AP Huggin's room, heat doesn't work. Wants elevator.

165 library needs new floors, repair gates for windows

SCA Ask K073: phone, loudspeaker, clocks, bell system upgrade (or electrical upgrade as well)

SCA Ask K298 : window frame upgrades and window guards

SCA Ask K183: Gymnasium built

SCA Ask K155: electrical upgrade for multipurpose room and computer lab (Mitzie will look into to see if DSF could do it, but most likely an SCA ask.)
